**Resolution Adopting the MaineSpark Coalition
Year 2025 Goal for Workforce Education Attainment**

Sponsor: MaineSpark Coalition (formerly Maine Workforce and Education Coalition)

Title: Maine's "60 by 2025" Commitment to Growing the State's Economy

Purpose: Our goal is to close the documented workforce quality and quantity gap standing in the way of economic growth in Maine.

Outcome: By 2025, Maine will increase the post-secondary attainment of its workforce to 60%.
