

What is MaineSpark's Goal?

60% of the Maine population with a credential of value by 2025.

At least 40% of the newly credentialed Mainers will be students ages 25 and older.

What is MaineSpark's Adult Promise?

Adult Promise is one of four areas of focus—or “tracks”—of the MaineSpark initiative.

The Adult Promise track is a network of MaineSpark coalition member agencies whose focus is on supporting adult learners looking to earn post-secondary credentials, change careers, or learn a new trade or skill.

What is the MaineSpark Adult Promise vision?

Adult Promise member agencies are **working on**

connecting Maine's adult learners to affordable degree and credential programs

comprehensive and coordinated systems that address the diverse needs of adult learners

an easy-to-access **online resource center** for adult learners and the professionals who serve them to **easily navigate pathways toward their futures**

training service providers to make **effective and coordinated internal and external referrals** to adult learner clients

a statewide **promotional campaign** that emphasizes the value of degrees and credentials, in helping adults achieve their goals

What are “Credentials of Value” and why is MaineSpark focusing on them?

MaineSpark defines a credential of value as a recognized degree, diploma, certificate or credential that leads to further education and high quality employment.

Who's working on MaineSpark's Adult Promise?

A diverse group of public and private higher education institutions, businesses, philanthropic groups, state departments, and non-profit organizations.
